

GCCS Chess Class

Welcome! My name is Tiffany Zhu, and along with Srihari Das, we will be the Greater Cincinnati Chinese School chess teachers. We are both students at Lakota East High School that love working with kids. In addition, Srihari is on the chess team at school and I have experience with teaching/tutoring.

The purpose of the chess class is to get familiar with the layout of the chess board and gain strategic movements of the chess pieces. Students will have a basic understanding for chess and be confident with fundamental openings to start the game as well as a foundation in more advanced topics. Students will learn techniques that will help them in the Queen City Chess Tournament in March/April. This competition is not mandatory, but highly recommended for students in the class.

The class time will be broken up into two portions. The first portion will be twenty minutes of instruction time where techniques will be introduced to the whole class. The second portion of the class will be the remaining time for students to incorporate the new strategy into the chess game while weaving in skills mastered in the past. During the second portion, Srihari and I will be around the classroom and helping students become familiar with the new approach.

When it comes to joining the class, anyone with an interest in chess is welcome! Srihari and I look forward to being teachers of the GCCS chess class!

大辛辛那提国际象棋班

大家好！我的名字是朱琳，与 Srihari Das 一起，我们将成为大辛辛那提中文学校国际象棋班的老师。我们是 Lakota East 的高中生，喜欢和孩子们一起合作。此外，Srihari 还在学校的国际象棋队和我有教学/辅导的经验。

国际象棋班的目的是熟悉国际象棋的布局，获得国际象棋棋子的战略动作。学生会学到各种国际象棋的技巧，对他们在 Queen City Chess 的比赛有帮助。

课堂时间分为两部分。第一部分是二十分钟的教学时间。第二部分剩下的时间给学生练习国际象棋，其中包括Srihari和我将帮助学生熟悉新方法和温习学过的技巧。

Srihari 和我非常欢迎对象棋有兴趣的人来参加这个班！
